- Dave let the members know that Mike Gomery passed away. Mike was an active and long time member of the OARPCW and his contributions were many. He always had good ideas and was always ready to help. A moment of silence was observed to show our respects to a past member of our executive and association.

The D.A.R.E. Works Foothills Society is celebrating its 10th year of operation in the M.D. of Foothills. Victim Services also presented. Their mandate is to respond to the needs of victims where crime and or trauma has entered their lives. Each volunteer is highly trained and volunteers are paired when called to respond to a situation. At the end of the presentation Dave presented Dare with a donation of \$5,000.00 and also presented Victim Services with a donation for \$4,000.00. - There have been a number of break-ins in the Red Deer Lake area. RCMP expect this area is targeted due to the close proximity to Calgary
- A good deterrent to crime is to have a gate into your property.
- There has also been some hunting related calls – gun shot in the area.

- Winter is approaching – Drive Safe as winter brings more collisions!

4. New Business

- Dave led a discussion regarding our participation in Casino's. The gaming commission brought it to our attention that their rules do not allow 2 or more members of the same family to be on the elected board (Dave Heinze is President & Marian Heinze is treasurer). It is worth noting that Marian never had cheque signing authority as the Heinze's felt that would defeat the purpose of requiring two signatures. So Marian needs to step down from the position until we disperse the current casino fund. After consideration of the discussion Brent Ellington moved that we remove ourselves from the current Casino schedule, Hilary Delver seconded the motion. Majority were in favor, motions passed. Dave will contact the Gaming commission to discuss us pulling out for this year and still leave us on the list for 2012.

There being no further business the meeting was adjourned at 9:25 p.m.
